

Michael Blakeley
Principal Associate, Enterprise & Industry Development,
Nathan Associates Inc.

Michael Blakeley is a Principal Associate with the Enterprise & Industry Development Practice of **Nathan Associates Inc.**, an international consulting firm. Mr. Blakeley has managed several technical assistance programs in Africa including in Zambia, Madagascar and Morocco, all of which had an emphasis on increasing trade between the U.S. and Africa and utilizing the African Growth and Opportunity Act. Prior to joining Nathan Associates Inc. Mr. Blakeley managed his own trading company which imported food products from developing countries and he spent a year in South Africa developing new supply sources for U.S. clientele. Mr. Blakeley is a graduate of the University of Oregon and completed his Masters Degree in International Trade Policy at the Monterey Institute of International Studies.
