China Cleantech 'Deal-Making' Delegation

- Facilitate 4-6 pre-qualified, pre-screened business meetings in China with potential foreign partners
- Prior to the in-country meetings we will arrange, conduct and facilitate a series of web-conference calls for each delegate with the selected and qualified Chinese partners that they will meet in China. This is to assure that when the trade delegates meet with the selected Chinese companies there is no valuable time lost.
- Support all communications and information exchange between delegates and potential foreign partners prior to in-country meetings
- 3-5 hours of post-meeting support for each trade mission delegate after their return from China

World Expo 2010

“Better City, Better Life”

World Expo 2010 will take place from **May 1 to October 31, 2010** in **Shanghai, China** with over **186 countries** and **48 international organizations** participate, a record in World Expo History. The Expo is expected to attract 70 million people from all over the world generating the largest number of visitors in the history of the world's fairs.

Under its main theme of “Better Cities, Better Life” the expo will showcase a number of exciting initiatives aimed at achieving greener, safer, healthier, prosperous, inclusive, well managed cities – currently where over half of the world's population resides.

Jiangsu

MBITA is pleased to announce its partnership with **Jiangsu – US GREEN Partnership (JUGP)** (www.jiangsu-us.org) and we are working together to lead a trade mission of California clean tech companies to Jiangsu Province.

The *Jiangsu* province also recently signed an MOU with California for cooperative renewable energy and green projects. It is one of the wealthiest regions in China.
