Guest Speaker: Mr. Randal Roman, Benchmark Electronics

To register for this free seminar please contact us at **(703)-770-8058** or via email at **thailand@odellsimms.com**.

Dear Executive:

The Board of Investment of Thailand (BOI) would like to invite you to join us as we take a moment and update you on the current investment climate in Thailand. Because of its investment policies, incentives and services Thailand is one of the fastest growing nations for attracting foreign investment. Thailand has remained on a steady course to expand exports and advance the prospects for sustainable development. It is committed to creating a positive investment environment for companies looking for opportunities in the Asian market place.

Thailand is a Gateway to Asia, hub of ASEAN, has a growing economy, sufficient infrastructure, FDI policies, government support and incentives, long established and newly emerging industries, a friendly and rich culture, and offers strong education and healthcare services.

The Thailand BOI has put into place incentives and services to help boost the competitiveness of companies investing in Thailand's electrical and electronics industries, making it the technology hub of Southeast Asia. In addition, Thailand has set a target to become a center of software development in Asia for the coming years.

Mr. Randal Roman from Benchmark Electronics will be providing first hand experience on doing business in Thailand and what it takes to succeed. Other experts from Thailand will also be able to provide information on the current state of investment in Thailand and how it compares to other South East Asian nations. We encourage you to join us to learn about the latest incentives and opportunities for investment and business growth in Asia.

This event will provide a concise briefing on the industry outlook for 2008 and offer suggestions on how to establish and build business relationships with Thailand's various manufacturers and suppliers.

Registration is free and available by contacting us via email at thailand@odellsimms.com or via phone at (703) 770-8058. Please feel free to share this invitation with your colleagues and business associates.

Register now as space is limited! We look forward to seeing you!
