

**TERESA POWELL-CALDWELL**

**VICE PRESIDENT, BUSINESS AND PROJECT DEVELOPMENT**

Teresa Powell-Caldwell joined WET Design in 2000 as Director, Business Development and is now Vice President, Business and Project Development. In this capacity, she oversees and supervises all activities and staff for the firm's Business Development Department. This department identifies new business opportunities, cultivates and maintains client relationships, and negotiates new proposals and contracts. Working with clients and the company's designers, the Business Development Department also manages the design effort through the concept phase.

Teresa has more than 18 years of business development and public relations experience in both the real estate and architecture industry. Previous employers include Cushman & Wakefield, Maguire Thomas Partners, Johnson Fain & Pereira and AC Martin Partners over the years.

She earned a Bachelor of Arts Degree in English with emphasis on Medieval and Renaissance Period Literature from St. Mary's College in California and completed many of her studies at Oxford University in England. She also holds an Associate of Arts Degree in Journalism from Los Medanos College.

Teresa, a native of California, is active in SCUBA diving and is certified as PADI Rescue Diver and is also a whitewater kayak trip leader for the Sierra Club River Touring Section. She has traveled extensively for both work and pleasure. In addition, she is involved in several professional organizations and serves on the Board of Directors for the Los Angeles Headquarters Association.
