

## Christian Theel

### *Senior Advisor International Affairs*

Christian Theel obtained a masters degree in Geography at the University of Bonn. He also holds a PhD in Geography at the Humboldt University of Berlin, where he researched and lectured. Over the 7 past years, he has been head of the regional development unit in Rügen - a german Baltic Sea island. He is experienced in organising and leading development processes, regional marketing, project development and -management and funding. Christian has been working extensively in international networks. Working for Baltic Sea Solutions/Denmark, he is engaged in International Affairs, business development, funding and networking. He is one of the coordinators of the Nordic Environmental Technology Solutions (NETS) network, creating a common marketing and business platform for Danish, Swedish, Norwegian and Finish clean-tech companies.
